

\$100.00 CLUB

FUND RAISING PROGRAM

Purpose:

A very interesting idea for fund raising has been suggested. The idea is to establish a “\$100.00 Club”.

The idea is that a “club” of 1,000 Members would each donate \$100.00. Obviously this would result in \$100,000 being donated to The ARTS.

The money would be used to support The ARTS in its goal of raising awareness of the benefits and joy of dancing.

Implementation:

The ARTS Board has established the club and encourages all dancers, callers, cuers, and other dance leaders to consider donating \$100.00 and joining the \$100.00 Club.
